Fairbridge Settlement Catalogue

Section 5 – Orange Cottage (FC Pye)

Orange Cottage was the 5th cottage to be completed at Fairbridge in 1938 and had the same floor plan as Rose & New cottages. However, Orange cottage had a much larger front verandah than Rose & New but the same roof line as Rose cottage except the cable was on the front of Orange cottage.

Orange cottage remains at Fairbridge today, is still lived in and is one of the few cottages still at Fairbridge that is in good condition.
